

# *Advancing Science*

## Curriculum Matching Worksheet

Purpose: To help you increase the frequency and/or effectiveness of *Advancing Science* Van Visits and Equipment Loans.

Goal: We feel that the best possible use of the *Advancing Science* program comes from a frequent use of the program. List the names and lesson topics of up to 6 units for which you would most like to have an *Advancing Science* activity. If there is no *Advancing Science* activity to match a given topic, make a note in the 3<sup>rd</sup> column to give us ideas for activity development.
